"AID AND COMFORT."
TO THE ARMY.
POLK'S PASS TO SANTA ANNA.

The Commander of our Naval forces in the
Gulf is hereby directed not to obstruct the pas-
sage of Gen. ANTONIO LOPEZ DE SANTA ANNA
and suite to Mexico which he desires to return
thither.

JAMES K. POLK.
May 15, 1846.

Polk's admission of having granted the pass,
"When orders were issued to the Com-
mander of our Naval forces in the Gulf, on the 15th
day of May last, only two days after the exis-
tence of the war had been recognized by Con-
gress, to place the coast of Mexico under blockade,
he was directed not to obstruct the pas-
sage of Santa Anna to Mexico which he desired to
return thither."

It remains to be seen whether his return may
not yet prove favorable to a pacific adjustment
of existing difficulties.—*Ibid.*

What has been seen.
BATTLE OF MONTEREY.—September 21, 22,
23, 1846.—three days hard fighting between
Gen. Zachary Taylor with three thousand men,
and Gen. Antonio Lopez de Santa Anna with
seventeen thousand men, resulting in the capitu-
lation of the City—loss of the Americans killed and wound-
ed—Five Hundred!

BATTLE OF BUENA VISTA.—February 22d
23d, between Gen. Zachary Taylor with five
thousand volunteers, and Santa Anna com-
manding Mexican forces of twenty thousand
men, resulting in the overthrow of the
enemy—loss of the Americans killed and wound-
ed—Two Hundred and Fifty.

TRUMPHANT SUCCESS.
CONSUMPTION, remember that it is Thom-
son's Compound Syrup of Tar and
Wood Naphtha, which is infallibly effecting such
remarkable cures in pulmonary consumption,
asthma, bronchitis, spitting blood, pain in the side
and breast, sore throat, hoarseness, palpitation of
the heart, whooping cough, croup, nervous tre-
mor, hives, liver complaint, diseased kidneys, &c.

Therefore beware of all spurious mixtures of
Tar or Naphtha, and purchase of the advertised
agents only.

ANOTHER WONDERFUL CURE!
Philadelphia, April 9, 1846.
Last August a year, I caught a violent cold, in
consequence of getting wet in a shower of rain.
A circumstance so common gave me no immediate
concern, supposing that I should soon get rid of it.
On the contrary, however, I daily grew worse; a
violent cough set in, then pain in my breast and
sore throat, and at night I suffered great op-
pression from the great secretion of purulent mat-
ter in my lungs. I became greatly alarmed; and
my friends considered my situation extremely
critical, the more so as loss of appetite, hectic
fever, and night sweats, rendered me as weak as
a child, and at night the sweat literally poured
off me! This was my condition when I commenced
using "Thomson's Compound Syrup of Tar and
Wood Naphtha." I procured one bottle, and ex-
perienced so much benefit that I resolved to con-
tinue it. It is now six months since I ceased using
the medicine, and the cure remains perfect. I
firmly believe this medicine is far superior to
every other remedy for Consumption of the Lungs.

J. J. CHAMBERLAIN, No. 8, Carberry street.
Affirmed and subscribed this 9th day of April,
1846, before me.

JOHN SWIFT, Mayor of Philadelphia.

Thomson) Philadelphia.

streets, Baltimore; and by J. H. Russell, Richmond,

Wild Cherry Bitters will restore the most confirm-
ed invalid to health. Where either these effects
are necessary to the restoration, the "Bitters"
will be found to possess every quality desired.
They have been used already with the greatest
success, in many obstinate cases of impurity of
the blood, nervous irritation, Dyspepsia, spicula,
Scrofula, palpitation of the heart, chronic head-
ache and Rheumatism. They are indeed a happy
combination of powerful, yet safe and salutary
vegetable remedies, of a sterling and unimpeach-
able reputation. They have won an unequalled
solitary their intrinsic merits, and that they have

\$500 REWARD.
THE above reward will be paid to any person
who will restore to her diseased parents,
their daughter, MARY FOX, or one half of said
reward for such information as will lead to her re-
covery. She was left by her school about 5 P. M.
on the 20th of May, 1847, and since that time has
not been seen. She is only 15 years of age, 4 feet
9 inches, black hair, small black eyes, rather thick
putting lips, red cheeks, small features, pretty and
quite girlish in appearance. She wore a small
plaid calico dress, pink, purple and blue; black silk
cape and apron, black gaiter boots, pink silk shirred
hat, and green veil; two small chased finger rings,
a gold pencil attached to a black cord, and her nails
quite short from biting them. It is strongly sus-
pected that she has been abducted by a person
named Michael, alias Martin Hare, formerly proprietor
of a Bowling Saloon, located near No. 202
Broadway, opposite the Franklin House, who aban-
doned about that time from this city, desiring his
wife and leaving her entirely destitute of support.
Said Hare is about 35 years of age, no wiskers,
fair complexion, and rather genteel appearance.
He was seen lurking in the neighborhood of her
school a short time previous, disguised with false
whiskers.

A sister of Hare, named Margaret, was removed
by him from a boarding school about the time of the
abduction, and is supposed to be with them. She
is described as follows:—Very dark hair, almost
black; dark skin, grey eyes, prominent eyebrows, a
small scar on one eyebrow, a small scar on the right
cheek as if made by small pox, a scar formed by a
gash upon the end of the nose, nearly an inch in
length, the tooth next to the first doublet on the
left side of the face gone; is about seventeen
years of age.

Any information to be immediately communi-
cated, by telegraph, if possible, to George W. Massell,
Chief of Police, New York, who is authorized to
pay the above reward.

TEAS, TEAS.
Washington, D. C.
Agency of the New York
CANTON TEA COMPANY.

largest stock of Tea Establishment in America.
The public have had full proof of their integrity and
responsibility. But such has been the great and
pressing demand for their TEAS of late, that they
have been obliged to enlarge, to a great extent, their
two principal establishments in New York, viz:
125 CHATHAM AND 125 GREENWICH
STREETS.

They moreover possess facilities, in relation to the
Tea Trade, in a very abundant degree, and doubt-
less, superior to any other Tea Company in America.
Their scrupulous regard to all principles that tend
to elevate the character of a large house, is well un-
derstood, and has already secured them a connec-
tion, probably, larger than all other Tea Establish-
ments united, and they consequently are determined
to sell Tea purer, more fragrant, and perfect for
the price, in the aggregate, than any house in the
United States.

Their most zealous wish is the attention of the in-
habitants of WASHINGTON, D. C., to their
Agency, where the following assortments are always
on hand; and they feel no hesitation in stating that
wherever a single trial is made, a very decided pre-
ference will be given to the celebrated TEAS of the CAN-
TON TEA COMPANY.

TAKE NOTE.—THE CANTON TEA
COMPANY are the exclusive vendors of the super-
ior Black Tea called "HOWQUA'S MIXT REE".
They introduced it in America in 1840—and every
other person or house professing to sell the same at
all, much less at a lower price—deceive the unwary,
as the public themselves will perceive by comparing
the spurious with the genuine "Howqua" vend by
the Canton Tea Company.

Every package (in addition to its containing
FULL WEIGHT, independent of the wrapper),
bears the stamp of neatness and elegance, and the
tea itself is so thoroughly secured from light
and air, that their quality and power will remain un-
impaired in any climate.
